Puppies Are Adorable...

and they are a big commitment, so please take some time to look around our site www.ackcsc.org and find out if a Cavalier King Charles Spaniel might be right for you. A good place to start is reading the article [So You Want A Cavalier](#). Then you might take a look at our [Rescue section](#) and see if a rescue dog is right for you. Keep in mind that rescue dogs are very special dogs and they require very special people.

All of the breeders in our breeder referral directory have been members of our club for at least two years and have signed our Ethical Guidelines. It is still important to do your homework to be certain that you are comfortable with any breeder.

For just \$2.00, we sell a publication in our online store titled [The Cavalier King Charles Spaniel, A Puppy Buyers Guide](#) .

Bringing a puppy in to your home is a big decision. Please take your time to find the right puppy. [Click Here for a list of questions](#) (from the American Kennel Club) to ask breeders when you are looking for a puppy.
